Dear Paul

Thank you for returning your Supplier Questionnaire, I have pleasure in confirming your status as an Approved Supplier to B-N Group including B-N Group Companies.

Your Approval Number is: **BNG/SK/30293**

This Approval is valid until 17/09/2015 at which time a full review of supplier performance and usage will be carried out.

The Scope of this Approval is as a Material Supplier or Stockist for the provision of Materials, Standard Parts and Specialist Equipment in compliance with the Britten Norman Purchase Order.

Where the following third party approvals are held: ISO 9000 / AS9100 the scope of such approvals is considered to be part of the scope of this approval.

All supplies to Britten Norman must be in compliance with the Purchase Order or Contract and shall be traceable.

The release documentation required shall be in compliance with the Purchase Order or Contract.

Your continued approval is based upon compliance with Britten Norman Supplier Quality Assurance Requirements Document BNGSQAR01, which may be viewed through the following link:

<http://www.britten-norman.com/media/uploads/bngsqaro1.pdf>

Items or services received which do not conform to the requirements of the Britten Norman Purchase Order or Contract, will not be accepted by Britten Norman and may be rejected.

Thank you for your help in this matter and we look forward to a continued satisfactory relationship.

Yours faithfully

Mark Harper
